TOWN WARRANT

STATE OF NEW HAMPSHIRE

(L. S.)

To the Inhabitants of the Town of Salem, in the County of Rockingham in said State, qualified to vote in town affairs:

You are hereby notified to meet at the town house, in said town, on Tuesday, the ninth day of March next, at twelve (12:00) of the clock noon, to act upon the following subjects:

Art. 1. To choose all necessary town officers for the ensuing year.

Art. 2. To choose two (2) delegates to a convention to revise the constitution.

Art. 3. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation for the same.

Art. 4. To see if the town will vote to raise any more money for the repairs of highways than the law requires.

Art. 5. To hear the reports of agents, auditors, committees or officers heretofore chosen, and pass on any vote relating thereto.

Art. 6. To see if the town will vote to authorize the town treasurer to hire, with the approval of the selectmen, such sums of money as may be needed for general purposes in anticipation of taxes.

Art. 7. To see what action the town will take relative to lighting the streets, and raise money for the same.

Art. 8. To see if the town will vote to raise a sum of money not to exceed six thousand dollars ($6,000), for the purpose of providing police officers for the ensuing year.

Art. 9. To see if the town will vote to raise a sum of money not to exceed six thousand dollars ($6,000), for the maintenance of the fire department for the ensuing year.

Art. 10. To see if the town will vote to raise the sum of money necessary to pay the expenses of snow removal and general highway accounts for the year 1948.

Art. 11. To see if the town will vote to raise the sum of seven hundred ninety-one dollars and eighty cents ($791.80), and apply for State Aid for Class V Highways.

Art. 12. To see if the town will raise the sum of five thousand dollars ($5,000), or any part thereof, to provide a sinking fund for permanent improvements as provided in Chapter 160 of the Public Acts of the 1943 Legislature. Said fund shall be invested by the Trustees of the Trust Fund until expended as provided in said Act. Said money shall be expended by the selectmen for any or all of the purposes named in the 1944 warrant. Further said money shall be ex-

pended to give the greatest possible employment to returned service men in the process of adjustment to civil life.

Art. 13. To see if the town will vote to raise the sum of two hundred dollars ($200), or any part thereof, to maintain and improve the town Common and the Public Square near Pine Grove Cemetery.

Art. 14 To see what action the town will take relative to allowing a discount on taxes.

Art. 15. To see if the town will vote to reconstruct the wooden bridge on the old Town Farm road and raise money for the same.

Art. 16. To see if the town will vote to authorize the Selectmen to omit from all future town reports the accounts due from a former Town Clerk and Tax Collector, as recommended in the State Tax Commission audit report.

Art. 17. To see if the town will vote to amend the Zoning Ordinances as passed by the Town of Salem on May 22, 1931, as follows:

By striking out all of Section 1 and inserting therein the following Section 1.

1. For the purpose of regulating certain residential districts, business, trades and industries and to provide for proper sanitary and other regulations, a restricted business district in the Town of Salem is hereby established. The boundaries of the restricted business district shall be as follows:

"Beginning at the State Line at the Town of Me-

then on the Manchester and Lawrence Boulevard, known as Broadway, and proceeding northerly along said Broadway, through Salem Depot Village to a point north of the Granite State Potato Chip Factory where the Manchester and Lawrence Railroad crosses the old Turnpike Road.

Beginning on Main Street, so called, at the brook east of the residence of Lewis F. Soule and proceeding westerly along said Main Street to its junction with Pleasant Street; thence in a general southerly direction along Pleasant Street to Hall's Corner, so-called, near the residence of the late Ezra B. Hall."

There is further hereby established a business and residential district which shall cover and apply to all other public highways, accepted streets, or any highway in said town commonly accepted as a public highway. Said business and residential districts to extend on each side of said public highways and accepted streets, a distance of two hundred (200) feet from the center line.

Art. 18. By request of library trustees. To see if the town will vote to raise the sum of one thousand five hundred dollars ($1,500), or any part thereof, above the amount required by law, for the support of the Salem Free Public Library for the year 1948.

Art. 19. By request of library trustees. To see if the town will vote to raise the sum of two hundred dollars ($200), or any part thereof, for interior repairs to library building.

Art. 20. By request of cemetery trustees. To see if the town will vote to raise a sum of money not to exceed one thousand dollars ($1,000), to be expended

in the care of walks, drives and vacant lots in Pine Grove Cemetery.

Art. 21. By request of Ernest W. Young Post, American Legion, and Salem Memorial Post, Veterans of Foreign Wars. To see if the town will vote to raise the sum of three hundred and fifty dollars ($350), or any part thereof, for use of the above Veterans' Organizations, to be expended in the observance of Memorial Day in the year 1948.

Art. 22. By request of water commissioners. To see if the town will vote to authorize the water board to replace certain 6-inch mains with 12-inch mains and install 12-inch mains where necessary to bring the present water system up to a point where further extensions can be made and raise money for the same by issuance of bonds or serial notes. Such bonds or serial notes to be made payable over a period of time not to exceed thirty (30) years.

Art. 23. By request of Gerard Bauters and others. To see if the town will vote to rescind a former accepted article that forbids the town to raise money for the extension of water mains.

Art. 24. By request of Ben M. Johnson. To see if the town will vote to extend its water main from Cross St. up Brady Ave. to the residence of George Brown and raise money for the same.

Art. 25. By request of Gerard Bauters and others. To see if the town will vote to extend the water main on Cross Street from where it now ends at the residence of E. H. Johnson to the residence of Gerard Bauters, and raise the sum of thirteen thousand dollars ($13,000) for the same.

Art. 26. By request of Gustave Bohne and others To see if the town will vote to extend its water main from Wilson's Corner to Dan Merrill's Corner so-called and raise money for the same.

Art. 27. By request of Mrs. Martha Parkinson and others. To see if the town will vote to raise the sum of five thousand dollars ($5,000), or any part thereof, for the purpose of renewing the present small water pipe to a six-inch main, extending from Hall's Crossing westerly on Lowell Road to the residence of John Ryan.

Art. 28. By request of Henry J. Pendergast. To see if the town will vote to extend the water main from Cluff's Crossing to the residence of Henry J. Pendergast and raise money for the same.

Art. 29. By request of Guy L. Ackerman. To see if the town will vote to extend the water main up Franklin Street and raise money for the same.

Art. 30. By request of A. Donigan and others. To see if the town will vote to extend the water main from the old Noyes place on Pelham Road to the No. 7 schoolhouse, approximately one-half (½) mile, and raise money for the same.

Art. 31. By request of William D. Cornwell and others. To see if the town will vote to install two street lights on Cornwell Court, one opposite the residence of Mr. Gene Altot and the other opposite the residence of Mr. Oscar Barton, and raise money for the same.

Art. 32. By request of Mrs. Benjamin Wells and others. To see if the town will vote to install street lights from the Townsend Poultry Farm on No. Salem

Road to Reed's Corner, so-called, and raise money for the same.

Art. 23. By request of Gustave Bohne and others. To see if the town will vote to install street lights from Wilson's Corner to Dan Merrill's Corner so-called and raise money for the same.

Art. 34. By request of Ray A. Brunelle. To see if the town will vote to install one street light on Policy Street at the entrance to Duston Avenue and raise money for the same.

Art. 35. By request of A. Donigan and others. To see if the town will vote to place two warning signs on Pelham Road, one on each side of No. 7 schoolhouse.

Art. 36. By request of A. Donigan and others. To see if the town will vote to have a guideboard placed at No. 7 schoolhouse at the junction of Brookdale Road and Pelham Road.

Art. 37. By request of Leslie H. Kohler. To see if the town will vote to repair with gravel and tar the road leading from his residence to the North Salem Road, or any part of this distance, and raise money for the same.

Art. 38. By request of Arthur Wilson. To see if the town will vote to continue the gravel and tar road from the residence of Arthur Wilson on Wheeler Ave. to Bridge Street.

Art. 39. By request of Ralph Gibson. To see if the town will vote to repair the road leading from Mosquinto School-house Corner to his residence with gravel and raise money for the same.

Art. 40. By request of Kelley Dahood. To see if the town will vote to gravel and tar Brady Ave. from the residence of William A. Turner to Hedgehog road, or any part of this distance, and raise money for the same.

Art. 41. By request of Maurice Greenfield, Sr. To see if the town will vote to gravel and tar the road leading from Woodbury's Corner to Hunt's Corner or any part of this distance, and raise money for the same.

Art. 42 By request of Percy Powell. To see if the town will vote to gravel and tar Brookdale Road from the residence of John Ross to No. 7 schoolhouse, or any part of this distance, and raise money for the same.

Art. 43. By request of David Webb. To see if the town will vote to accept Merrill Avenue, beginning at the land of David Webb to School Street, a distance of approximately eight hundred (800) feet.

Art. 44. By request of Frank N. Emerson. To see if the town will vote to accept Emerson Parkway, leading from No. Salem Road near Pine Grove Cemetery for a distance of approximately sixteen (1600) feet.

Art. 45. By request of John F. Connor. To see if the town will vote to accept Maple Place as a public highway.

Art. 46. By request of Ray A. Brunelle. To see if the town will vote to accept Duston Avenue from Policy Street to the southerly side of Community Street, a distance of approximately one thousand nine hundred and thirty-five (1935) feet.

Art. 47. By request of Ray A. Brunelle. To see if the town will vote to accept Lakeside Street from southerly side of Community Street to land of Canobie Lake Park, a distance of approximately five hundred and fifty (550) feet.

Art. 48. By request of Ray A. Brunelle. To see if the town will vote to accept Lakeview Street from Lakeside Street to Duston Avenue, a distance of approximately six hundred and thirty-five (635) feet.

Art. 49. By request of Ray A. Brunelle. To see if the town will vote to accept Community Street from Duston Avenue to Lakeside Street, a distance of approximately five hundred and twenty-five (525) feet.

Art. 50. By request of Guy L. Ackerman. To see if the town will vote to accept Taylor Street, a distance of approximately twelve hundred (1200) feet.

Art. 51. By request of Guy L. Ackerman. To see if the town will vote to accept Franklin Street, a distance of approximately twelve hundred (1200) feet.

Art. 52. By request of Guy L. Ackerman. To see if the town will vote to accept Howard Street from a point near the water tower, where it now ends, for a distance of approximately eight hundred (800) feet.

Art. 53. By request of Gladys Bunker. To see if the town will vote to accept one hundred dollars ($100) from Gladys Bunker as a perpetual fund, the interest to be expended in the care of the William R. Smith lot in Pine Grove cemetery.

Art. 54. By request of Frank M. Gleason. To see if the town will vote to accept one hundred and fifty

dollars ($150) from Frank M. Gleason as a perpetual fund, the interest to be expended in the care of the James Gleason lot in Pine Grove Cemetery.

Art. 55. By request of Mrs. Charles Corliss. To see if the town will vote to accept one hundred dollars ($100) from Mrs. Charles Corliss as a perpetual fund, the interest to be expended in the care of the Charles Corliss lot in Pine Grove Cemetery.

Art. 56. By request of the estate of Charles A. Palmer. To see if the town will vote to accept one hundred dollars ($100) from the estate of Charles A. Palmer as a perpetual fund, the interest to be expended in the care of the Charles A. Palmer lot in Pine Grove Cemetery.

Art. 57. By request of John Moreau. To see if the town will vote to accept one hundred dollars ($100) from John Moreau as a perpetual fund, the interest to be expended in the care of the John Moreau lot in Pine Grove cemetery.

Art. 58. By request of the estate of John W. Pattee. To see if the town will vote to accept five hundred dollars ($500) from the estate of John W. Pattee as a perpetual fund, the interest to be expended in the care of the John W. Pattee lot in Pine Grove cemetery.

Art. 59. By request of Thomas M. Meer. To see if the town will vote to accept one hundred dollars ($100) from Thomas M. Meer as a perpetual fund, the interest to be expended in the care of the Thomas M. Meer lot in Pine Grove Cemetery.

Art. 60. By request of William Barron. To see if the town will vote to accept one hundred dollars ($100)

from William Barron as a perpetual fund, the interest to be expended in the care of the William Barron lot in Pine Grove Cemetery.

Art. 61. By request of Ernest L. Silver. To see if the town will vote to accept one hundred dollars ($100) from Ernest L. Silver as a perpetual fund, the interest to be expended in the care of the Ernest L. Silver lot in Pine Grove Cemetery.

Art. 62. By request of Florence Bly. To see if the town will vote to accept one hundred ($100) from Florence Bly as a perpetual fund, the interest to be expended in the care of the Abbie Bly lot in Pine Grove Cemetery.

Art. 63. By request of Orrison O. Gordon. To see if the town will vote to accept one hundred dollars ($100) from Orrison O. Gordon as a perpetual fund, the interest to be expended in the care of the Orrison O. Gordon lot in Pine Grove cemetery.

Given under our hands and seal this twentieth day of February, in the year of our Lord nineteen hundred and forty-eight.

WILLIAM BARRON,
W. EARLE MAGOON,
WALTER F. HAIGH,
Selectmen of Salem.

DIVISION OF MUNICIPAL ACCOUNTING

Concord, New Hampshire

July 30, 1947

Board of Selectmen
Salem, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual audit and examination of the accounts of the Town of Salem, which was made by this Division in accordance with the vote of the town. This audit covered the period from September 7, 1946, date of the previous audit, to June 30, 1947. The Exhibits have been prepared, however, to present the financial activity of the town and its various departments for the fiscal year ended December 31, 1946, and the period from January 1, 1947 to June 30, 1947. The report is made up in two sections as follows:

Section I—Fiscal Year Ended December 31, 1946

Section II—Period January 1 to June 30, 1947

SCOPE OF AUDIT

Included in the audit and examination were the

accounts and records of the following officials and departments:

Board of Selectmen
Town Treasurer
Tax Collector
Town Clerk
Trustees of Trust Funds
Water Works
Municipal Court
Pine Grove Cemetery

FINANCIAL STATEMENTS

Comparative Balance Sheets — December 31, 1945-December 31, 1946: (Exhibit A)

Comparative Balance Sheets as of December 31, 1945 and December 31, 1946, are presented in Exhibit A. As indicated therein a change in financial condition amounting to $17,013.25 took place during the year which started with a Surplus of $14,634.50 and ended with a Net Debt of $2,378.75.

Reconciliation of Change in Surplus: (Exhibit B)

The factors which caused the change in financial condition were as follows:

Analysis of Change in Financial Condition

Surplus—December 31, 1945	$14,634.50
Net Debt—December 31, 1946	2,378.75
Net Change in Financial Condition	$17,013.25

Decreases

Net Budget Deficit		$8,044.62
Decrease in Water Department Cash		9,159.80
Unredeemed & Uncollected Taxes		182.20
Transferred to Tax Deeds		$17,386.62

Increases

Accounts Receivable—		
Water Department	$ 370.37	
Other Items	3.00	
		$ 373.37
Net Change in Financial Condition		$17,013.25

Comparative Statements of Appropriations and Expenditures—Estimated and Actual Revenues:

(Exhibits C & D)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1946, are presented in Exhibits C and D. As indicated by the budget summary a net overdraft of appropriations of $17,729.46, less a net revenue surplus of $9,684.84, resulted in a net budget deficit of $8,044.62.

Summary of Receipts and Expenditures:

(Exhibit E)

A summary of receipts and expenditures for the fiscal year ended December 31, 1946, made up in

accordance with the uniform classification of accounts is included in Exhibit E.

AUDIT PROCEDURE

The accounts and records of all town offiffcials charged with the custody, receipt and disbursement of public funds were examined and audited. Vouchers and cancelled checks were compared with supporting invoices and payrolls as well as entries in the books of record. Receipts were checked by source insofar as possible and totals of receipts and expenditures verified. Proof of the Treasurer's balance as of December 31, 1946, and June 30, 1947, is indicated in Exhibits F and A-1, respectively.

TAX ACCOUNTS

The advance tax collection account of the current year's levy and the tax warrants and tax sales accounts of previous years' levies were examined. Summary statements showing the activity therein for the fiscal year ended December 31, 1946, and the period from January 1st to June 30, 1947, are presented in Exhibits G, H. I, J, K and B-1, C-1, D-1, E-1, F-1 and G-1, respectively.

TOWN CLERK

The financial accounts and records of the Town Clerk were examined and audited. All funds received by the Town Clerk on account of the issuance of motor vehicle permits and dog licenses were properly accounted for through remittances to the Treasurer, fees retained or cash on hand. (Exhibits M and I-1).

TRUST FUNDS

The trust fund accounts were examined and the securities and savings bank books, representing the principal and unexpended income of the various funds, were found to be in order. A summary statement of trust fund principal and investments is included in Exhibit N, while a statement of trust fund income and expenditures will be found in Exhibit O.

SURETY BONDS

A list of the town officers who are required by law to be bonded, together with the amounts of the bonds and the surety companies by whom they were issued, is contained in Exhibit M-1.

WATER DEPARTMENT

The accounts of the Commissioners, Treasurer and Collector of the water department were examined. The summary of receipts and expenditures of the department, proof of Treasurer's balance and detailed analysis of expenditures for the fiscal year ended December 31, 1946, are presented in Exhibits P, Q and R, respectively. Financial activity of the department during the period from January 1st to June 30th, 1947, is indicated in Exhibit J-1.

GENERAL COMMENTS

Appropriation Overdrafts:

Attention is again called this year to the matter of appropriation overdrafts which amounted to

a total of $20,119.23. Unexpended balances of appropriations reduced this by $2,389.77, making a net overdraft of appropriations of $17,729.46. Although this was partially offset by a net revenue surplus of $9,684.84, there still remained a net budget deficit of $8,044.62.

It is noted that overdrafts in highway appropriations amounted to more than $10,000.00, while the following expenditures were made without appropriations:

Athletic Field	$ 1,381.16
Sidewalk Construction	2,200.00
Sewer Construction	1,160.40

We emphasize again the importance of basing budget estimates upon actual requirements as nearly as it is possible to do so in order that appropriations may be made on this basis and expenditures limited thereto. Unless this is done appropriation overdrafts and budget deficits are certain to occur and the financial condition of the town may be seriously affected thereby.

Balance Sheet:

The balance sheet of a town should reflect the true financial condition at the close of the year. Therefore in the preparation of the balance sheet asset items should include only cash or such accounts as may be converted into cash within a reasonable length of time.

For several years the following items have been carried as "Accounts Receivable":

Earl L. Gordon (Former Tax Collector)	$8,237.94
Amos J. Cowan (Former Town Clerk)	871.90

It now appears doubtful if anything will be realized from either of these accounts and it is recommended therefore that both be eliminated from the assets in future balance sheets.

The uncollected taxes as of December 31, 1946, for the levies of 1938 to 1945, inclusive, amounted to $3,250.70. These consisted largely of poll taxes, many of which cannot be collected. The lists should be carefully gone over by the selectmen and tax collector before the end of the current fiscal year and abatements made in cases where the taxes are uncollectible.

Although the procedures recommended herewith will reduce the assets of the town by a considerable amount, a more accurate picture of the true financial condition will be obtained as a result.

Municipal Court:

All receipts and expenditures of the municipal court should be promptly recorded in the cash book. This will save confusion which some times arises when the entries are not made until a considerable period of time has elapsed after the transactions take place.

All court funds due the town should be remitted to the town treasurer prior to the close of each fiscal year, rather than left to accumulate indefinitely in the municipal court account.

Water Department:

It is recommended that a loose-leaf ledger sheet be adopted for "Accounts Receivable." This should contain — "date," "item," "debit," "credit" and "balance" columns. This would insure better control over "Accounts Receivable" by making available at any time the balance due on each individual account.

Definite action should be taken by the Water Commissioners relative to the collection of over-due accounts. several of which are for substantial amounts.

Miscellaneous Payments:

Many payments are charged to "Miscellaneous" which might properly be classified under one of the regular accounts. It is recommended that all expenditures be charged to the regular classification accounts insofar as possible. This will be substantially reduced if not entirely eliminate the amount now charged to "Miscellaneous."

Conclusion:

The accounts and records of all town officials were found in good condition and the accounting procedure, with exceptions as herein noted, conformed to the uniform system prescribed by this Division.

The provisions of Section 31, Chapter 211, of the Laws of 1939, require that this report of a summary of its essential features shall be published in the next annual town report. This letter of transmittal should be included in its entirety but the inclusion of Exhibits is optional.

We extend our thanks to the officials of the Town of Salem for their assistance during the course of the audit.

Yours very truly,

HAROLD G. FOWLER,
Director.
Division of Municipal
Accounting,
State Tax Commission.

HERBERT E. HUNT,
ALAN R. MATTHEWS,
Auditors.

NORMAN P. SCHAUER,
ROBERT FORD,
Accountants.

DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

Concord, New Hampshire

July 30, 1947

CERTIFICATE OF AUDIT

This is to certify that we have audited the accounts and records of the Town of Salem for the fiscal year ended December 31, 1946, and the period from January 1, 1947 to June 30, 1947; and, subject to exceptions as herein noted, found them to be in good order. In our opinion the Exhibits included herewith reflect the true financial condition

of the town, together with the results of operations for the fiscal year ended December 31, 1946.

Respectfully submitted,

HAROLD G. FOWLER,
Director.
Division of Municipal Accounting
State Tax Commission.

HERBERT E. HUNT,
ALAN R. MATTHEWS,
Auditors.

NORMAN P. SCHAUER,
ROBERT FORD,
Accountants.

Justice.

REPORT OF THE SALEM FIRE DEPARTMENT

The number of calls answered for the year 1947 was 167, an increase of 38 over last year. Fire loss, $23,-050.00. All equipment is in good shape. Forest fires last fall were responsible for the increase in the cost of maintaining this department.

Very truly,

ROBERT V. EBERT,
Chief.

SCHOOL WARRANT

To the Inhabitants of the School District in the town of Salem qualified to vote in district affairs:

You are hereby notified to meet at the Woodbury High School in said District on the 13th day of March, 1948, at 1.30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.

2. To choose a Clerk for the ensuing year.

3. To choose a Member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.

6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

7. To choose Agents, Auditors and Committee in relation to any subject embraced in this warrant.

8. To see if the district will vote to make any alteration in the amount of money required to be assessed

for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see if the district will vote to raise and appropriate a sum of fifty dollars ($50.00) for a State Audit of the School District books.

10. To see if the district will vote to construct and equip an annex to the Woodbury High School, and to acquire necessary real property in connection therewith.

11. To see if the district will vote to authorize the School Board to execute any and all contracts or agreements necessary and proper, or advisable in connection with the construction and equiping of an annex to the Woodbury High School, and to ratify all action heretofore taken by the School Board relative thereto.

12. To see if the district will vote to raise a sum of two hundred thousand dollars ($200,000.00) for the purpose of purchasing land, the grading thereof, and constructing and equipping thereon, an annex to the Woodbury High School, and to authorize the School Board to issue serial notes or bonds in the name of the School District, in this amount in conformance with existing Statutes.

13. To see if the district will authorize the School Board to make application for and to receive, in the name of the School District, such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency, or other United States Government or State Agencies.

14. To see if the district will vote to raise and appropriate a sum of four thousand dollars ($4,000.00) for the purpose of transporting High School pupils.

15. To transact any further business that may legally come before the meeting.

Given under our hands at said Salem this 17th day of February, 1948.

Salem, N. H., Feb. 17, 1948.

SCHOOL BOARD REPORT

To the Citizens of Salem:

The School Board is pleased to render its annual report relative to the condition of the schools of Salem, the maintenance of the same, and its ideas of the future of our school system.

In all schools, the general minor repairs were made as usual. In addition, all the desks in poor condition at No. 1 school were refinished, as were a very considerable number at No. 8, and No. 6, and the High School. In this connection, a sander was purchased so that desks might be resurfaced before they become too badly damaged. The boiler at No. 8 was overhauled and repaired, and several loads of fill were provided for the school yard to replace that which has washed away.

The area between and in front of the entrances at No. 6 school was given a hot top surface in an attempt to eliminate a poor condition there. At No. 4 School a new fence was erected between the school yard and the adjacent property. Electric service and lights were installed at the No. 7 School, giving this building lighting that had long been needed, which with an inside coat of paint, makes this school room much more serviceable. At the High School, the Auditorium ceiling was given two coats of white, the walls painted, and the woodwork revarnished. Two of the outside walls were waterproofed. While there are other items

of maintenance to be considered, yet the schools are, at present, in good condition of repair.

The time has come when Salem must look to the future, and adopt a plan whereby the immediate needs of the schools may be satisfied, and those of the future provided as the needs arise. For a considerable period, conditions at the Center and Depot School have been deemed unsatisfactory for the needs of the number of pupils those schools have attempted to serve. The only school not operating at top or near top capacity is the Hampshire Road School, but, from the number of new homes being erected in this area, it is only reasonable to assume that this school will be filled to capacity soon.

The School Board will present its idea of this problem at the School District Meeting, and ask for an appropriation of $200,000.00 for an addition on the west end of the present Woodbury High School structure, providing thereby eight additional classrooms, four on each floor, with a basement giving space for two more, and with provisions for showers and dressing rooms. The construction of this addition would give us the opportunity to relieve the congestion in the junior and senior high schools, and to allow pupils of the fifth and sixth grades of at least the Center and Depot schools, to attend here, which would help the situation greatly at these two schools. We feel that this addition would care for our present needs.

The long range plan provides for an auditorium-gymnasium added to this new addition, under which would be classrooms either to take care of more pupils or provide for additional courses. At such time, the present auditorium could be adopted for other instruction or study, or possibly, in part, as a cafeteria. The

appropriation requested provides an adequate heating system for the auditorium when such is projected. Going further into the future, there is land available to the west when another eight-room addition with basement, could be added to care for additional pupils if the occasion should require, thus giving the children of Salem a compact, efficient and modern school building.

The Board does not feel that the plan outlined is the ultimate, nor does it consider that this may be the answer, but after much consideration and consultation with those experienced in school planning and construction, we feel that this plan was well worth the consideration of the people of the town. We have very seriously taken into consideration the fact that school construction costs money, but we have every reason to believe that it will be some time before such costs lower to any great extent. We have recognized the fact that this money for new school construction, as well as the money for the increasing costs of operation and maintenance of these schools, comes out of the taxpayers' pocketbook. We have attempted to provide that, which in our opinion, will give us ample capacity, good school conditions and good teachers at a minimum of expense, and at the same time eliminating any ideas of temporary or makeshift spending now, which would unquestionably be discarded in the future, thereby wasting that much money. We feel that any money spent should be in a permanent building. Much more could rightfully be said here concerning this project, but, without doubt, much of the material setting forth the reasons for this additional school space, is included in the report of the Superintendent.

We are very grateful for the help and support of the other town officials who recognize the seriousness of

our problems, for the personnel of the entire school department, and the increasing interest of the people as a whole.

We cannot close this report without noting with regret the retirement of Mr. William J. Nelson, who served us for so many years as Superintendent of this Union. We are happy to recognize the assistance given us by our new Superintendent, Mr. L. Munro Grandy, in the short time he has worked with us. We wish them both the best of everything in the new environment in which they now find themselves. We feel quite sure that the present location of the superintendent's office, with the district clerk, will fill a much wanted service, not only to Salem, but to Union No. 55, as well,

Respectfully submitted,

HOWARD S. WILLIS,
JOHN A. BAGNELL,
HOWARD C. SMITH,
School Board.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Board of Education and Citizens of Salem, N. H.:

I hereby respectfully submit my first Annual Report. This report will include supplementary staff reports from the Headmaster, the Supervisor of Music Instruction, the Department of Health Services, and the Supervisor of Art Instruction. The Report will cover statistical information concerning the school year beginning July 1, 1946, and ending June 30, 1947, with additional information concerning the status of the schools from July 1, 1947, to Dec. 31, 1947.

I. *General Information*

The total school enrollment reached an all-time high of 694 pupils registered during 1946-1947. During the school year 1947-48 the trend is upward with a record enrollment of 709.

It is satisfying to state that the teacher turnover this year has been comparatively light, and we have been fortunate in securing excellent replacements. Mrs. Elsie Railton, a teacher with experience in Milford, N. H., replaced Clarence Harding in grades three and four at the No. 1 School, Miss Ina Bombard, a teacher with long experience in the Lebanon, N. H., schools, was added to the staff of the No. 6 School, to relieve the heavy teaching load carried by the teachers at that school.

The following teachers at Woodbury High School tendered their resignations; Mrs. Margaret Fragala, Miss Mary Sheehan, Mrs. Mildred Turner, and James Crabtree, necessitating replacements. The following

teachers' services were secured: Mrs. John Emilio, a former teacher at Woodbury High School, to direct the Home Economics Department and teacher Science and Social Studies. Miss Marguerite Goodwin, a graduate of Rivier College, and with two years' experience in Woodstock, N. H., to teach Junior High School English, and to be Director of Dramatics. Mrs. Dorothy Bugbee, a graduate of the University of New Hampshire, and a teacher of ten years' experience at Towle High School, Newport, N. H., and with service in the armed forces, to teach English and Social Studies. Mr. Gordon Surette, a graduate of Boston University, with experience with the Associated Press and International News Service, to teach Social Studies, English and Journalism. Mr. Foster Ball, a graduate of the University of New Hampshire, and a combat officer in the United States Armed Service, to teach Social Studies, Physical Education and assist in Athletics.

Miss Dorothea Martin, a graduate of the Massachusetts School of Art, and with two years' experience in Hampton and Durham, N. H., schools, has been added to the Supervisory staff as director of Art Instruction.

The following Citizenship Awards were made and these students are to be complimented for their evident proficiency in these specific areas:

Good Citizenship Medal, Stanley Dlugosz.
Board of Trade Scholarship Medals:
1st, gold—Richard Dyson.
2nd, silver—Elizabeth Merrill.
3rd, bronze—Kenneth Sherburne.

II. *Curriculum*

A. I have found the culliculum of the elementary schools to be sufficient, and if followed should

assure reasonable proficiency in the 3 R's, with the important adjuncts of citizenship and social responsibility.

The High School Program of Studies includes a College Preparatory Course, a Commercial Course, and a General Course. When space and personnel are made available, a gradual revision in this area could be made. The Headmaster, in his report, will enlarge on this area.

An effort is being made to provide a comparatively new teaching device and technique, for all our pupils, in the instruction of a definite program of audio-visual education. Films, slides and records are being supplied.

B. Testing Program

A minimum testing program is in operation in which each pupil during his school tenure is tested to determine "his ability to learn from books," and paralleling this, Achievement Tests are given to determine how far he has gone in his "learning from books." These tests are used by the teachers as starting points in aiding pupils to overcome their difficulties.

C. Music

I have found our music program excellent in its administration, and one at which we can all look with pride.

III. *Teachers and Professional Advancement*

I have found the teachers in the Salem School, by-and-large, to be proficient in their profession, and above

all, interested in boys and girls, which in my opinion, is essential to learning progress.

We are cognizant of the changing trends in our profession, and to examine these changes a Citizenship Workshop was held at the Woodbury High School. Under the guidance of the State Board of Education, the teachers met for three days, discussing new trends in education, working on their own teaching problems and examining new materials for use in our classrooms.

IV. *Recommendations and Conclusions*

In making these recommendations I realize that they will not all be accepted, or are they possible immediately. It is my desire that they be accepted as a "Plan for the Future."

A. Teacher Status

In order to maintain our present staff and to secure adequate replacements, a salary increase seems necessary. The increased cost of living throughout the United States makes this of paramount importance.

With enrollments up, and it seems that the trend will continue, an added teacher for the elementary staff should be contemplated.

In the near future a Director of Diversified Education should be added to the staff at Woodbury High school, to administer, direct and teach in a program devised to care for the noncollege pupils. Federal funds are available to defray part of this added cost.

The present housing shortage presents a problem closely connected with the efficiency

of the educational system of Salem. I suggest that some plan be instituted so that we can assure adequate housing for teachers wishing to reside in Salem.

B. Music

When funds and space are available I recommend that instruction in instrumental music be added to the High School curriculum, with the idea of establishing a school band and/or orchestra.

C. Health and Physical Education

When space and funds are available, and with the help of local organizations, there should be established annual dental clinics. Our Health and Physical Education Program is limited, and when pace and funds are available more school time should be centered on these two important phases of education. The showers, of necessity, must be available, in order to do this. I recommend that milk be made available in the elementary schools next year, and that federal funds available be used to defray part of the expense.

D. Textbooks, Scholars' Supplies, and New Equipment

During the War Period, textbooks and scholars' supplies were hard to procure and the condition and adequacy of our texts, especially on the elementary school level, is such that we will need some changes. I propose a program of revision that will insure continuing replacements in the specific subject areas so that in no one year unusual ex-

penditures become necessary. We need to face the fact, however, that along with other commodities, the price index in the above categories have increased from 15 per cent to 25 per cent. Replacements and additions to capital equipment such as desks, should follow a similar policy.

E. State Aid

Due to the increase in the enrollment in the schools of New Hampshire, we must anticipate a decrease of from four to five dollars State Aid on all pupils enrolled in our schools. Therefore, the principle of underestimating the income received from outside sources should be viewed with car.

F. Planning for the Future

1. Birth Rate and School Enrollment

While there are different points of view concerning the early growth of school attendance, all observers are agreed that by 1950 in the United States, we shall have a record enrollment,, particularly in the elementary schools. The following is a chart showing the birth rate in Salem from 1900 to 1946 (five-year periods) :

Year	No. of Births
1900-04	33
1905-09	33
1910-14	36
1915-19	48
1930-24	58
1925-29	43
1930-34	37

1935-39	28
1940-44	34
1945-46	62

79.4 per cent increase from 1944-1946

The following is the projected enrollment increase in our schools using the Metropolitan Life Insurance Company statistics as a base.

Estimate of School-Age Population in Salem from 1945 to 1960

Year	No. of children 6-13 (elementary age)	Freshman class
1945	505	52
1946	521	50
1947	541	49
1948	556	53
1949	576	54
1950	591	54
1951	612	55
1952	637	56
1953	657	57
1954	667	59
1955	672	64
1956		68
1957		68
1958		66
1959		71
1960		77

2. Overcrowded Conditions

The following is a table showing the present condition of specific schools that are overcrowded, and where immediate action seems necessary.

Salem School Housing

	No. 1	No. 6	Woodbury
Standard capacity	100	120	200
Present enrollment	148	162	254
Over-capacity	48	42	54

It is evident that there will be, in the near future, a marked increase in the school-age population, and the situation urgently calls for planning along practical lines, in order that adequate provision be made for the education of these children.

The picture here implies for Salem immediate action to secure adequate school housing facilities. To accommodate the present inadequacies, it will be necessary to build an annex to the present Woodbury High School, which, with renovations to our present plant, will provide ten additional rooms.

If this structure is forthcoming, I recommend that grades five and six from the Number One School, and the Number Six School be housed in this Annex, thus making it possible to have them separate from the High School, and alleviate the present untenable conditions at these schools.

G. Conclusion

The foregoing recommendations are some for immediate action and some for future contemplation.

I wish, at this time, to express my sincere appreciation for the unqualified coop-

eration of the headmaster and teachers, and for the guidance and ever ready aid of the School Board during my tenure as Superintendent. It is only by this team spirit that the needs of all the children of all the people of Salem can be realized.

Respectfully submitted,

L. MUNRO GRANDY,
Superintendent of Schools.

STATISTICS FOR THE SCHOOL YEAR ENDING JUNE 30, 1947

REPORT OF HEADMASTER

I hereby submit my annual report as the headmaster of Woodbury High School.

The total enrollment, which on the opening day, September 3, 1947, was 250, has increased to 261. This first day enrollment shows an increase of greater than 10 per cent over the 1946 figure and is all the more significant when one realizes that even at that time — 1946 — we were taxed to capacity. Following is a table of enrollment by classes:

Grade	Total Enrollment	Discharges	Present Enrollment
12	29	0	29
11	31	2	29
10	39	1	38
9	61	4	57
8	46	2	44
7	55	3	52

There are eleven tuition pupils, eight from Windham and three from Atkinson.

Of the 32 graduates of the class of 1947
2 entered the University of New Hampshire
2 entered Keene Teachers College
2 entered University of New Hampshire, Applied Farming
2 entered McIntosh Business College
1 entered Piedmont College
1 entered Bentley School of Accounting
1 entered the School of Practical Arts
1 entered the Mary Hitchcock Hospital Nurses' Training School

4 entered the services
3 entered schools of Beauty Culture

Those who are continuing their formal education are doing creditable work and they reflect the serious effort of the school to give suitable training for those who are seeking post-secondary education. However, since education should be "for all American youth" we cannot avoid wondering if those graduates of the class of 1947 who have not sought further education have received the training they should have had. Socially they are well adjusted but in the classroom shouldn't their training have been more functional? Wouldn't they have profited more from a diversified education? Would the boys have benefited more from instruction in the industrial arts? Furthermore, would the 25 per cent who were in that class when it was grade nine and sometime within the next three years presumably completed their formal education have remained to graduate if Salem offered a well-balanced educational program based on the needs of its youth? With the present physical plant much of this desired training is either impossible or inexpedient. Although a teacher was added to the faculty to alleviate some of the teaching of large classes in the junior high school, there are still from forty-four to fifty-two in some of the junior high school subjects, such as geography and general science. Other junior high school classes are taught with over fifty pupils in the room and in the high school study pupils have to be placed at the rear of rooms where classes are being conducted, and this year some classes are being held in the library, a room really too small to be a satisfactory office.

This year has seen no radical changes in the general policies of the administration of the school. All worth-

while activities such as hot lunches, fundamentals, assemblies, clubs, and dances have been continued. More and more the newer phases of audio-visual education are being used and adapted to our needs. We hope to expand even more in this field. Recently we purchased a Viewlex projector to be used in the classrooms to show film strips and slides.

The guidance program — still in a formative stage— is based on the principle of individual conferences and counselling. A school the size of Woodbury offers an excellent opportunity for this type of guidance. The Kuder Preference Test and The California Personality Test have been continued. The vocational training information offered to grade nine also is being continued and gives those pupils an excellent opportunity to become acquainted with the various phases of our economic life.

Our athletic program this year is in the capable hands of Mr. Davis and Mr. Ball. Eleven-man football was renewed, and we are again participating in the Merrimac Valley League for Smaller Schools in basketball and baseball. Both the girls and boys are most fortunate to have such well-trained individuals to guide them in "playing the game" in its best sense. It would be desirable to expand the opportunities for girls' participation in sports and also to develop an athletic program for the junior high school even if it were mostly on the intra-mural basis. Both an increase in the physical plant and the teaching staff are necessary for this. People who follow our athletic program are well aware of our needs and the handicaps under which we are working, especially in basketball.

The operetta, Rio Rico, was presented in the fall un-

der the direction of Mrs. Eva Thompson. All, both faculty and pupils, contributed to its success. The senior play and the dramatic contest will be given in the spring. The people looking forward to seeing these each year attest the success of each in the past. Several copies of the Ray have appeared and offer an excellent example of the need for teamwork if a project is to be successful. The student council continues to assume responsibility in a commendable fashion.

Many local groups and individuals have shown their interest in our young people: The Salem Woman's Club, The Salem Men's Club, the American Legion, The Veterans of Foreign Wars, The Salem Grange, The Salem Merchants, and others. In addition to this we have enjoyed the cooperation of many of the parents. However, all pupils should have teachers who have the cooperation of the home. Usually our most successful pupils are those where there has been close cooperation between the schools and the home. A visit to school, a conference with the teacher and mutual understanding and admiration on the part of both will clear up most of the difficulties and misunderstandings. In this way the best interests of the children will be served, with proper counselling and understanding supplanting misplaced sympathy and coddling of the child.

In closing I wish to say, "Thank you" to the teachers. I have found them to be very sincere and understanding in their work, and to them goes must of the credit for the good work being done. To you and the Board of Education I also say, "Thank you" for your wholehearted cooperation and inestimable assistance. To the citizens of Salem I also wish to express appreciation as your children reflect your cooperation and education

is a joint enterprise with all of us working towards a common goal.

Respectfully submitted,

EUGENE ROURKE,
Headmaster.

January 29, 1948.

REPORT OF SUPERVISOR OF MUSIC

To Mr. Munro L. Grandy, Superintendent of Schools:

I am pleased to present the following report of my work as Supervisor of Music.

In working to accomplish the aims of music—which include all the aims and objectives of general education, I presented a graded program in the schools. The program consisted of rote singing, basic fundamentals of music theory, expressions of symbols, signs and their significance as applied to the composition in question.

"A singing child is a happy child"—a love to sing and a means of expression, of rejoicing, of praying and of playing and relaxing.

Musical appreciation, including the study of the Symphony Orchestra has been an interesting phase of the program. The addition of two new record-players and several albums of new records has been a great help in carrying on this part of the program.

At Woodbury High School, there has been chorus work for the Junior High, also a Glee Club. In the Senior High a Girls' Glee Club of eighty voices and a Boys' Glee Club of twenty-five voices. The combined groups furnished the music for commencement. The annual operetta was presented in November. This year's production, Rio Rico, a Birchard operetta, was well received and a success financially. The young people played to capacity audiences at both performances. A record library for the school has been started with part of the proceeds.

In closing I should like to thank Mr. Grandy, the School Committee and Teachers for their kind assistance in 1947.

Respectfully submitted,

EVA W. THOMPSON.

ANNUAL REPORT OF THE SUPERVISOR OF ART INSTRUCTION

To Mr. L. Munro Grandy, Superintendent of Schools:

I hereby submit my first annual report concerning the Art activities and instruction in Salem.

Due to the fact that there has been no previous Art Instruction Program, unusual and comprehensive results must be long in coming.

Our supplies have been limited, due to the fact that no previous provisions were made for this instruction. It is hoped that in the future we will have more equipment and supplies available. It is true in this instance that, "A man is as good as the tools he works with."

Art is essential in every-day living. One may not realize it, but it is our artistic taste that governs our mode of dressing, eating, and surroundings. It is good that at this time the need is felt to develop and guide the right artistic inclinations in your children. It will make for a better community in the future.

I wish to take this opportunity to express my appreciation for the splendid cooperation shown by the teachers in order that this program might be put across.

Respectfully submitted,

DOROTHEA S. MARTIN,
Supervisor.

REPORT OF THE SCHOOL NURSE

To Mr. L. Munro Grandy, Superintendent of Schools:

The following is my annual report for the school year ending December 31, 1947. As in the past each school receives as many routine visits as possible, plus the additional visits necessary to accomplish specified work.

Number of pupils given physical examinations	648
Notification of all defects found were sent home	
Number of visits to schools	479
Number of visits to homes—follow-up work	112
Pupils given classroom inspection for communicable diseases	1422
Pupils given individual examinations for pediculosis	1055
Pupils excluded for pediculosis	30
Number of pupils' vision rechecked	552
Defective vision—106; improved or corrected	73
Pupils receiving examinations by Ophthamologist and glasses financed by Sight Conservation Program	5
Examinations and glasses financed by Department of Public Welfare	1

Eye health program in our schools is very important. Modern educational procedures depend largely on the use of sight. It is therefore necessary for all of those concerned with the welfare of the child, to know as early as possible, what his eye condition is. Since eyes change with growth, and accidents do occur during vacation periods, of which the pupil and parent may both be unaware, periodic examinations are necessary through the school year. Ideally, every child

should have a thorough medical examination, including an eye examination, before he enters school.

Enlarged tonsils—23; improved or corrected	15
Enlarged glands—5; improved or corrected	5
Number of pupils having defective teeth	239
Pupils who have had dental corrections	246
Nervous condition	1
Pupils attended Balch Clinic, Manchester	3
Receiving treatment	2
Courtesy of Salvation Army:	
Tonsilectomy, financed for pupils	2
Medical treatment over an extended period of months for pupils	1
Courtesy of Derry School Department, pupils given audiometer test	3

No child can learn unless he hears and understands what he hears. Many children suffer from qualitative hearing loss, or hidden defects, that no one realizes. Bright children may be stigmatized as "backward" or "lazy," when actually they are struggling under a burden of defective hearing. It has been found that the majority of hard of hearing can be given auroligical care they need for correction if found in time. I have felt the need of an audiometer for our schools for some time, so that each child could have the advantage of a hearing test. One is being donated by the Salvation Army, this coming spring.

All Salem citizens, no doubt, look forward to the time when we will have the addition to our High School. We in the Department of School Health look forward to that time also, and hope that the committee in charge of plans is aware of the great need of a health Center. A charitable organization has expressed its willingness to furnish dental office equipment so that we could

have a dental program in our schools for which there is a great need.

At the present time there is not one inch of extra space where a health program can be carried on adequately. In order to accomplish what is absolutely necessary, we are obliged to use the facilities of the teachers' room, or the auditorium, which are always in great demand.

Miss Constance Martin, R. N., staff worker of the Tuberculosis Association, aided in giving the Vollmer Test for tuberculosis May 9-12, at Woodbury High School. 132 pupils were tested. 11 pupils reacted "positive" to this test. Through the courtesy of Mr. Rourke, and Mr. Davis, transportation was furnished to Manchester Clinic for X-Rays. The eight that were X-rayed at the clinic, showed calcified glands or healed tuberculosis infection on their reports. Three pupils consulted their family physician for advice. We are planning another tuberculosis clinic this coming spring.

Cod liver oil was given to needy families financed by the Salem Woman's Club.

The Red Cross financed two weeks' vacation for a pupil at their summer camp.

Every pupil was weighed and measured several times during the school year, and records were kept on charts provided. Gain in weight is the best single sign of good nutrition in a child. Healthy well-nourished children differ in many respects, according to age, sex, and race, and family from which they come. They vary in body shape and size, even at the same age; some will be tall and slender, some short and

stocky. The gain to be expected over any period depends upon such factors as these, as well as the child's health throughout the period. Every-day factors favorable to growth are, long hours of sleep, play and exercise in open air, and a diet that includes a generous amount of milk, fruit, and vegetables.

I would like to take this opportunity to thank the School committee, Mr. Grandy, Mr. Rourke and Teachers, and all with whom I have worked, for without their interest and cooperation, my work would have been quite futile.

Respectfully submitted,

JESSIE REBECCA SOULE, R. N.

VITAL STATISTICS

TO THE SELECTMEN OF SALEM: I hereby submit the following records of births, marriages and deaths to the municipal officers for publication in the annual reports:

Births Registered in the Town of Salem for the Year Ending December 31, 1947

Date of birth	Name of Child (if any)	Sex and Condition Living or Stillborn Sex		Color	Name of Father	Maiden Name of Mother	Residence of Parents	Occupation of Father	Birthplace of Father	Birthplace of Mother
